Copenhagen's public transportation system is one of the best in the world. Travel around Copenhagen inexpensively and easily with a City Pass. It is also valid throughout the night, when many buses and trains are also in operation.

It's easy:

- Order here on the homepage. Remember to place an order for each of your mobile telephones so that each of you has a ticket at hand in case you will not always be travelling together.
- You will instantly receive a receipt and your City Pass via SMS.
- The day on which your City Pass comes into force, you will again receive an SMS ticket so that it will conveniently be at the top of your messages and ready for use.

Enjoy your City Pass, and remember to charge your mobile telephone! You can also buy a City Pass paper ticket at the Copenhagen Airport, at Copenhagen's Central Train Station and at other train and metro stations. [Read more here.](#)

WITH CITY PASS YOU CAN:

- Buy online and receive an SMS City Pass ticket directly to your mobile telephone
- Enjoy unlimited travel on buses, trains and the metro in Copenhagen in zones 1-4, from the moment you arrive in Copenhagen via, e.g., the airport
- Travel easily from and to the airport without having to think about where to purchase tickets, the types of tickets available or travel zones
- With your City Pass, two children under 12 years of age can travel with you free of charge
