U.S.G.A. RULES OF GOLF GOVERN ALL PLAY

Local Rules

- A ball that comes to rest in or on an **AERATION HOLE** through the green, may be lifted without penalty, cleaned and dropped as near as possible to the spot where it lay but not nearer the hole. The ball when dropped must first strike a part of the course through the green.
- **STONES IN BUNKERS** are movable obstructions (Rule 24-1). The stones may be removed without penalty.
- If a ball lies off the putting green but not in a hazard and an immovable obstruction (e.g. sprinkler head) on or within two club lengths of the putting green and within two club lengths of the ball intervenes on the line of play between the ball and the hole, the player may lift, clean and drop the ball at the nearest point of relief where the ball lay that (a) is not nearer the hole (b) avoids intervention and (c) is not in a hazard or on the putting green.
- Built-up sides of *teeing grounds, putting greens and bunkers* are declared to be an **INTEGRAL PART OF THE COURSE** and, accordingly, not an obstruction (Rules 24 and 33-23). No free relief granted.
- Interference by a hole made by a **BURROWING ANIMAL** occurs when a "BALL ONLY" lies in or touches the condition. **A player may not take relief if the condition interferes with their stance.**
- **BALLS EMBEDDED** in their own pitch mark, through the green, may be lifted, cleaned and dropped within one club length, no nearer to the hole. No penalty.
- Players may take relief from **STAKES HOLDING TREES** but not the trees themselves.

USGA RULES GOVERN PLAY EXCEPT AS MODIFIED
BY THE FOLLOWING LOCAL RULES:

- **OUT OF BOUNDS:** Out of bounds is defined by the inside edge of all public roads, and white stakes and lines, where applicable. A ball crossing the inside edge of a public road that comes to rest on or beyond the road is out of bounds, even though it may have come to rest on a part of the course. Exception: Hole #11. (The public road in front of the 11th tee is an immovable obstruction and is not a boundary during the play of the 11th hole.)
- **EMBEDDED BALL:** A player is entitled to relief without penalty for a ball embedded in its own pitch mark "through the green." A player is not entitled to relief for a ball that is embedded in sand in an area that is not closely mown.
- **SAND AREAS:** Any sand area NOT containing a rake is considered "through the green," i.e., it is not a bunker.
- **IMMOVABLE OBSTRUCTIONS:** (Rule 24.2.b.) 1. Cart paths that are improved with any artificial surfacing (e.g., concrete, asphalt, gravel) are immovable obstructions. Cart paths that are sand only are an integral part of the course. (No relief under Rule 24.2.b.) 2. Railroad ties that are used as curbing for cart paths are immovable obstructions. If the cart path is also an immovable obstruction, the railroad tie is considered part of the cart path. 3. Staked trees are immovable obstructions and relief is mandatory.
- **IMMOVABLE OBSTRUCTIONS NEAR PUTTING GREEN:** If an immovable obstruction on or within two club lengths of the putting green and within two club lengths of the ball intervenes on the line of play between the ball and the hole, the player may drop the ball without penalty in the nearest position that avoids intervention and is no nearer to the hole. This relief is available only when both the ball and the obstruction lie in closely mown areas.
- **DISTANCE MEASURING DEVICES:** Players may use devices that measure distance only.
- **RECLAIMED WATER:** The golf course is irrigated with reclaimed water.
